Growing your business from a distance has been challenging over the past year, but it?s just gotten easier with no Proof of Income/Proof of Assets (POI/POA) up to $50,000![1]

With the holidays around the corner, we?d like to give you something BIG to talk to your clients about in advance of RSP season. Introducing the best-in-market option with no POI/POA up to $50,000 for B2B Bank RSP Loans.[1]

Fewer documents needed on a B2B Bank RSP Loan means:

- Easier loan process
- Faster funding
- More opportunity to grow your business

Have clients who haven?t contributed to their RSP this year? You can offer them a quick catch up on their unused RRSP contribution room with a B2B Bank RSP loan.

Key features of a B2B Bank RSP Loan include:

- **Deferred payment options:** Clients can defer their first payment for up to 180 days. They can receive their tax return before having to make their first payment.[2]
- **Flexible terms of 1 to 10 years:** Longer terms may be available to help clients with cash flow on catch up loans.
- **Multiple funding options:** Proceeds from a single B2B Bank RSP Loan can be invested in an RRSP, RESP or any combination thereof (up to a maximum of three accounts).
- **Easy online application** for all loans using our Electronic Application Submission Entry (EASE).
